

The following guide is a compilation of several individual forms which aim to assist researchers in operating eProtocol.

## Software requirements

### Recommended browser

eProtocol is compatible with most popular browsers. We recommend using the most recent version of the following web browsers:

- Firefox
- Edge
- Chrome
- Safari (if using a Mac)

### Disabling Pop-ups

Pop-up blockers prevent the eProtocol application from opening certain windows.

You will need to make sure that your internet browser has all pop-up blockers disabled or pop-up windows allowed for the eProtocol website. You can usually find how to do this in the 'Settings' of your browser.

## Understanding your eProtocol Home page

The first page that appears after logging in to eProtocol is your Home page. Your Home page has two main sections that display all the applications on which you have been listed in the *Personnel Information* section. This is how the sections appear:

Home

Show/hide sections by clicking on these arrows

HREC

Create Application Clone Application Delete Application

Applications (In Preparation / Submitted)

NEW

| Application ID            | Principal Investigator | Application Event                        | Status/Comments | Panel | Meeting Date |
|---------------------------|------------------------|------------------------------------------|-----------------|-------|--------------|
| <a href="#">10-01-318</a> | Atherton, Michael S.   | <a href="#">Responses Sent (Cycle 1)</a> | IN-PROGRESS     | BBL   | 28/01/2010   |
| <a href="#">10-01-316</a> | Atherton, Michael S.   | <a href="#">SUBMITTED TO HREC</a>        | IN-PROGRESS     | BBL   |              |

You can expand or collapse these two sections by clicking on the arrows on the right of the grey section bar as shown above.

If you cannot see your applications, you may have to click on 'Show Section' to unhide it. If, after un hiding the relevant section, you are still unable to see your applications, it means you are not listed in the personnel section for that application. To be listed, the nominated contact for the study must submit an amendment adding you to the personnel page. (Refer to the section on registration).

### Applications (In-Preparation/Submitted)

This is the 'work-in-progress' area. It displays all your applications that are yet to be approved, e.g., new studies; amendments; as well as those that have been submitted and are in various stages of the Bellberry HREC review process. Applications will be displayed here until they are officially approved/not approved in the system.

### Approved Applications

This is the 'work-completed' area. It displays a listing of your approved applications. Click on an Application ID from the list to have the option to view the most recent approved version of the application, or to start an Amendment or any other study report. Remember, these options are only available to those people listed on the Personnel Information page of the application.

| Approved Applications           |                        |                                                             |               |                    |                 |                       |                         |
|---------------------------------|------------------------|-------------------------------------------------------------|---------------|--------------------|-----------------|-----------------------|-------------------------|
| Application ID                  | Principal Investigator | Title                                                       | Approval Date | Last Approval Date | Expiration Date | Review Decision       | Form Type               |
| <a href="#">2019-08-232-A-3</a> | Smith, Paul            | This is entered manually ' This is pasted n's (manually ... | 20/08/2019    | 20/08/2019         | 19/08/2029      | Administrative Review | AMENDMENT/IB SUBMISSION |

### Non-Active Applications

Once a study has closed and the Final Report is acknowledged, non-active applications will remain in this section. These studies will not be editable but will be available to view for ongoing reference.

| Non Active Applications     |                        |       |               |                    |                 |           |
|-----------------------------|------------------------|-------|---------------|--------------------|-----------------|-----------|
| Application ID              | Principal Investigator | Title | Approval Date | Last Approval Date | Status/Comments | Form Type |
| <a href="#">2018-09-779</a> | Clark, Sarah           | help  | 27/06/2019    | 27/06/2019         | EXPIRED         |           |

## Creating a new application

On the Home page, click on the 'CREATE APPLICATION' button in the upper right-hand corner of the Home page or click on 'CREATE APPLICATION' option in the menu.

The study title and Principal Investigator's name is required to generate the start of the application.

eProtocol will default to fill the Principal Investigator field with the details of the person who creates the application. To change the name from the person who created the application to the Principal Investigator:

- Click on the binoculars in the Principal Investigator name field,
- Enter the first or last name or User ID of the Principal Investigator. Their name will appear under the table.
- Click on the radio button next to their name, then click SAVE.
- If the person who created the form needs to have ongoing access to the application, it is essential to add the name of that person to the relevant section of the Personnel Information page, e.g. Sub-Investigator or Nominated Contact before exiting this page. Follow the instructions above to ensure this occurs. If you do not complete this step, you will not have access to the study.

A Bellberry application number is assigned at this point, and the initial information that was entered is saved.

Once this page is completed, you may continue to work on the application, or exit the system and return later to finish.

## Completing the Application Form

All fields in the application form are mandatory.

- Checkboxes mean that you may select more than one item from that group.
- Radio buttons mean that you may choose only one item from that group.
- Tables are used in parts of the application where you may need to add more than one item (for example, additional sites).

Depending on the type of research, some of the questions may not be applicable (for example clinical trials vs social science studies). Mark these as 'No' or 'Not applicable' as appropriate.

The study title, Principal Investigator and nominated contact details entered on the previous 'Create Application' page will automatically fill into the relevant fields for the rest of the application pages. These also appear at the top of each page for reference.

Once you complete each page, select 'SAVE', and 'NEXT' to progress to the next page. If you choose 'NEXT', the details will automatically save before moving to the next page. Navigate through the application form using the arrow icons in the upper right corner of the page or click on the page number.

### Personnel Information page

CVs: Under 'Principal Investigator' please note that the 'View CV' section is for Bellberry's use only. Please attach updated CVs on page 7 'Attachments' under the heading 'Curriculum Vitae'.

If the Principal Investigator (PI) is also the only nominated contact, then only the PI section needs to be completed.

### Input of tax invoice contact details

The Tax Invoice section is a mandatory field and must be completed before the application can be submitted to the HREC.

- To enter the Tax Invoice details, click on the binoculars. A second screen will then show, click on the text in blue. This will allow free text entry. Type in the company and contact name, full postal address and any other relevant details.
- If the tax invoice contact is the same as an investigator or nominated contact, please read: eProtocol does not allow the corresponding PI/Nominated Contact entry in the Tax Invoice field. Please ensure that the name is in a different format to the eProtocol registered name e.g., Tom Smith, and T Smith.

Note: \* denotes mandatory field.

**Tax Invoice** Save Cancel

Please provide organization and contact name in the (Name \*) field. Please ensure this contact person name is different to any registered user name.

|                      |                      |                      |

**Find User** Find

User ID:

First Name:

Last Name:

[Click here to add Other Personnel. if you are sure the User ID does not exist for the person.](#)

### Study Sites page

This page has two sections, Multi-Centre Studies and Multi-Site Studies. In some instances, studies may be either Multi-Centre or Multi-Site or they may be both.

### Multi-Centre Studies

Add the Principal Investigator's name, the name of the site, and the physical address of the site into the table under section 1. The site name and address should exactly match the eProtocol registration details provided and OVOP.

### Multi-Site Studies

Under section 2, please detail what activities the Principal Investigator is undertaking at each site/location and how supervision by the Principal Investigator will be managed. For example, Principal Investigator X will be consenting participants at Research Centre X. Principal Investigator X will be storing participant files at Research Centre Y. The Principal Investigator will be supervising the research activities at each location by XXXX.

### Uploading documents

#### *Application, Page 7 – Attachments*

When attaching documents, follow the below steps:

- Select the appropriate document type from the drop-down list
- Click 'BROWSE' to search your directories to add the document
- Repeat this step to add each of the documents to be included in the review

Note: \* denotes mandatory field.

**Attachments**

| Document Type                                      | Attachment * | Document Name * |

Please click on Add to add Attachments

## Submitting applications

When the application is complete, a check for completeness is required. This can be accessed via the left-hand blue menu, as shown below:

- Once you click on 'Check for Completeness', a new box will open with a message that will indicate which sections may be missing information.
- You can click directly on the link to take you to the page where the additional information is required.
- The check for completeness feature cannot check that all necessary supporting documents have been attached. Be sure to double-check that this has been done before you submit your application.

Following the check for completeness, the application can be submitted. Once an application is submitted you will not have access to make edits or additions until the application is returned to you.

To submit the application, follow the below steps:

- Ensure the application is open in 'EDIT' mode
- Click on the 'SUBMIT FORM' button in the left-hand menu of the Application Form (as shown below)
- Select 'YES' and the application will automatically be submitted to Bellberry.

Please be patient after clicking submit. The system will automatically check to make sure that all parts of the application form are complete.

If the application is complete, a small window will open thanking you for submitting your application. If the application is not complete, then a window will open indicating the portions of the application that remain to be completed. Navigate to those areas and answer the questions before attempting to submit again.

## Returned applications

Sometimes it is necessary to return an application. Return advice will be communicated by email to the contacts on the application. The 'Application Status' displayed on your home page will be changed to 'Submission Returned'.

If you receive an email advising that your application was returned:

- Open the application and click on 'Return Notes' in the left-hand menu to view the comments.

This will open a window with information regarding the reason your application was returned and instructions on how to proceed.

Make the necessary changes and additions to the application and attachments. Please note that to make changes to the application you will need to open it in 'Edit' mode.

When the application is ready to be resubmitted, click the 'SUBMIT FORM' button.

The HREC Return Notes area is used only for instructions from Bellberry relating to returned applications. The Investigator/Contact cannot add text or respond to a Return Note.

## Printing an application

You can generate an Adobe pdf file of your application form that can be printed or saved on your computer.

- In the left-hand menu of the application form, click on the 'PRINT VIEW' option.

A small window will open:

Print View

Please select any one of the following:

☐ Application Only
☐ Application with Comments
☐ Comments only

| Sections to Print                                          | Select Orientation               |                       |
|------------------------------------------------------------|----------------------------------|-----------------------|
|                                                            | Portrait                         | Landscape             |

| <input checked="" type="checkbox"/> Attachments            | <input checked="" type="radio"/> | <input type="radio"/> |

OK

- Select an option, sections and their orientation, and click 'OK'.
- The Adobe pdf file will be created and will open automatically.
- You may save it to your computer by clicking 'FILE' then 'SAVE' as located in the upper left-hand corner of the window.

If you are having difficulty with this function your Windows software may be blocking it. If this is the case, please go to the application page and use the keyboard short-cut 'Ctrl P' to print individual pages.

## Post HREC meeting & application decisions

### After Review at the HREC Meeting

Comments are sent in eProtocol and an automatic email is sent to notify the site that comments are available. The 'Application Status' displayed on the home page will be changed to 'Comments Received (Cycle 1)'. Click in this wording to access the comments.

### Preparation for resubmission

- Do not delete any documents. For auditing purposes all previously submitted documents must remain attached to the application
- Update all version and date references in both the document name and document footers.
- Attach additional or updated (tracked & clean) documents in Page 7 of the application
- Make the revisions/updates to the application itself (click the 'GET APPLICATION' button to open up a new window with the application).
- Enter a response for each comment (and 'SAVE').
- When all the comments have been responded to and updated documents have been attached to Page 7 click the 'SUBMIT TO HREC' button (upper right-hand corner of the page) to send the responses and revised application back to Bellberry.
- 'SAVE' will save your responses to the comments. However, these responses are not sent to the HREC until you click the 'SUBMIT TO HREC' button.

The HREC will review the responses outside of a meeting via eProtocol. Further comments will be sent back to the site if required and this process is repeated until the HREC are either satisfied with the changes made or decide not to approve the study.

### Application Approved

Once the application has been approved the contacts listed on the application will receive email notification with instructions on how to access the approval letter in eProtocol. Open the application and, on the left-hand navigation, last option, select 'EVENT HISTORY'.

The screenshot shows the 'HREC - HREC Application Form' interface. At the top, the 'Application ID' is 2017-07-653-A-1 (Bellberry Administration). The 'Application Title' is 'Test HREC'. On the left, a navigation menu includes 'Amendment/IB', 'Personnel Information', 'Study Sites', 'Sponsor', 'Application Information', 'Print View', and 'Event History'. The 'Event History' section is active, displaying a table for the year 2017. The table has columns for Date, Application ID, Status, View Attachments, and Letters. A red arrow points to the 'Approval Letter' link in the 'Letters' column for the entry dated 26/07/2017 with status 'NEW FORM APPROVED'.

| Date       | Application ID  | Status                             | View Attachments                 | Letters                         |
|------------|-----------------|------------------------------------|----------------------------------|---------------------------------|
| 26/07/2017 | 2017-07-653     | NEW FORM CREATED                   |                                  |                                 |
| 26/07/2017 | 2017-07-653     | <a href="#">NEW FORM SUBMITTED</a> | <a href="#">View Attachments</a> |                                 |
| 26/07/2017 | 2017-07-653     | NEW FORM PANEL ASSIGNED            |                                  |                                 |
| 26/07/2017 | 2017-07-653     | NEW FORM PANEL MANAGER REVIEW      |                                  |                                 |
| 26/07/2017 | 2017-07-653     | <a href="#">NEW FORM APPROVED</a>  | <a href="#">View Attachments</a> | <a href="#">Approval Letter</a> |
| 09/08/2017 | 2017-07-653-A-1 | AMENDMENT 1 FORM CREATED           |                                  |                                 |

The approval letter can be accessed in the 'Letters' column. Read the approval letter to confirm all the conditions of approval.

When the approval has been processed in the system it will appear at the bottom of your home page under 'Approved Applications'.

If an application is not approved, a letter will be prepared to the Principal Investigator. A copy will be emailed to the site and will also be attached to page 7 of the eProtocol application.

## Creating an amendment

 >Home>Approved applications>Application ID>Amendment

A pop-up window will open. Within this window select 'START AMENDMENT' and click 'OK'.

If an amendment form does not open when you click OK, then you may have pop-up blocking software on in your browser. Even if you believe you have allowed pop-ups, there may be additional toolbars, that are blocking your pop-ups.

Alternatively, if this option is still not available, then an Amendment or a Progress Report/ submission may be active. Check the 'Applications (In-Preparation/Submitted)' section to see if the study is listed there. Please note that once the submission of an amendment has occurred, you will not be able to start a Progress Report application until the amendment has been reviewed and approved. If the ethics expiration date is near, please complete a progress report before creating an amendment and allow time for approval prior to the expiration date. Once processed, you will then be able to submit an amendment.

Before attaching your documents, please ensure that they are named correctly. Do not edit the name of the document within eProtocol. Attach your documents at the bottom of the amendment form and not on page 7 of the application.

Once completed click 'SUBMIT FORM'.

## Creating a Safety Report

 >Home>Approved applications>Application ID>Start adverse event/safety report form

A pop-up window will open. Within this window select 'ADVERSE EVENT/SAFETY REPORTING' and click 'OK'.

If an adverse event/safety report form does not open when you click 'OK', then you may have pop-up blocking software on in your browser. Even if you believe you have allowed pop-ups, there may be additional toolbars, that are blocking your pop-ups.

On the form select either:

1. Individual Event
- OR
2. Summary Report

For an Individual Event, select section 1 and complete the report as required. Ensure that all questions are answered including the details of the event and attach relevant documents.

For a Summary Report select section 2 and attach any relevant documents.

Once completed click 'SUBMIT FORM'.

## Creating a Serious Breach Report

>Home>Approved applications>Application ID>Protocol violation

A pop-up window will open. Within this window select 'PROTOCOL VIOLATION' and click 'OK'.

If a Protocol Violation form does not open when you click OK, then you may have pop-up blocking software on in your browser. Even if you believe you have allowed pop-ups, there may be additional toolbars, that are blocking your pop-ups.

Please attach any relevant documents at the bottom of the form.

Once completed click 'SUBMIT FORM'.

## Creating a Progress Report

 >Home>Approved applications>Application ID>Progress Report

A pop-up window will open. Within this window select 'PROGRESS REPORT' and click 'OK'.

If a progress report form does not open when you click OK, then you may have pop-up blocking software on in your browser. Even if you believe you have allowed pop-ups, there may be additional toolbars, that are blocking your pop-ups.

Alternatively, if this option is still not available, then an amendment submission may be active. Check the 'Applications (In-preparation/Submitted)' section to see if the study is listed there. Please note that once the submission of an amendment has occurred, you will not be able to start a Progress Report application until the amendment has been reviewed and approved. If the ethics expiration date is near, please complete a progress report before creating an amendment. Once processed, you will then be able to submit an amendment

Please attach any relevant documents at the bottom of the form.

Once completed click 'SUBMIT FORM'.

## Creating a Final Report

 >Home>Approved applications>Application ID>Final Report

A pop-up window will open. Within this window select 'FINAL REPORT' and click 'OK'.

If the Final Report form does not open when you click 'OK', then you may have pop-up blocking software on in your browser. Even if you believe you have allowed pop-ups, there may be additional toolbars, that are blocking your pop-ups.

Once this form is acknowledged by the HREC the study will be closed in eProtocol, and no further submissions can be made. The Application will be able to be viewed in the '*Non-Active Applications*' section on the Home page

Once completed click 'SUBMIT FORM'.

## Deleting a Submission

Select 'DELETE APPLICATION' from the top of the page.

Select which submission you wish to delete by ticking the corresponding checkbox in the first column on the left. You may tick multiple checkboxes to delete multiple submissions at once. The checkbox at the top of the column will select and deselect all checkboxes.

Once you have selected which submission you would like to delete, select 'DELETE APPLICATION' from the top of the page.

A pop-up window will appear. Confirm you wish to delete the selected applications by selecting 'YES'.

## Troubleshooting and FAQs

### Avoid using your browser's BACK button

This will avoid taking you out of the system. Instead, use the menus and links within the application to navigate.

### Save Frequently

eProtocol will time out after 60 minutes of inactivity. Only actions which cause the page to refresh or reload (such as saving or navigating to a new section) are indications to the system that your session is active.

### Be patient

Some processes can take a short time to run. Although data is loading, your browser may not indicate activity.

### Sign out when done

Always click 'SIGN OUT' and shut down your browser completely (close all browser windows) when you are finished using eProtocol. This will not only help keep your information secure but will also release any edit locks you may have had on protocols, allowing your colleagues on the project to open the protocols in 'Edit' mode.

### Changing a Password

If you wish to change your password, click on the 'CHANGE PASSWORD' button on the top right-hand corner of the Screen (next to the 'Sign Out' button). Once on this page, if you cannot remember your hint question, follow the '[Click here](#)' link. This will take you to a second 'Forgot Password' page where you must enter your User ID and email address. Follow the steps outlined in the automated email you will receive.

| Forgot Password                                                    |                        | Submit |
|--------------------------------------------------------------------|------------------------|--------|
| UserID*                                                            | <input type="text"/>   |        |
| Email Address*                                                     | <input type="text"/>   |        |
| Hint Question*                                                     | Select Hint Question ▼ |        |
| Answer*                                                            | <input type="text"/>   |        |
| <a href="#">Click here</a> to get an email with your login details |                        |        |

| Forgot Password                                                         |                      | Submit               |
|-------------------------------------------------------------------------|----------------------|----------------------|
| UserID*                                                                 | <input type="text"/> |                      |
| Email Address*                                                          | <input type="text"/> |                      |
| Please provide User ID and Email Address used in eProtocol registration |                      | <a href="#">Back</a> |

### I cannot see my approved applications

Your approved Applications will appear on your eProtocol Home page (the page you see when you first log in) in the section labelled 'Applications (Approved)'. This section should appear towards the middle of your page. You may need to click on the button located on the right-side of the section header to expand this section.

### I cannot find the application I need to amend

Please refer to the instructions for 'Creating an Amendment' if you do not see an application listed in your 'Applications (Approved)' section, it may be that you were not listed as personnel on the study.

**The option to 'Start Amendment' is not available; it appears grey**

You may not have access to edit this application. Select 'OPEN IN VIEW MODE' and click on the left-hand menu option 'PERSONNEL INFORMATION'. Only those people listed in the first four roles (principal investigator, sub-investigator, nominated contacts) have access to edit the application.

An Amendment or Progress Report may have already been started or is in-process for this application. Check on your Home page in the 'Applications (In-Preparation/Submitted)' section to see if the application is listed there.

**I am trying to respond to HREC comments, but it appears as if there are none.**

You might be confusing the HREC Return Notes section in the left-hand side of the application form with the HREC Comments page, which is used during the HREC review cycle.

If you are attempting to access comments from the HREC for an Application that has already been assigned to a meeting date, please see the 'Post HREC meeting & application decision' instructions on how to respond to HREC comments. If your application was returned, please see instructions for 'Returned applications'.

**Access to eProtocol**

Once logged in to eProtocol, you will be able to create a new Application, and to view and edit any Applications on which you have been listed in the *Personnel Information* section. You will only have access to edit those studies/applications on which you are listed as either:

- Principal Investigator
- Sub-Investigator
- Nominated Contact

If you are a new Sub-Investigator or Nominated Contact for an existing study, you will need to ask one of the existing Application personnel listed on the *Personnel Information* page of the Application to create and submit an Amendment in eProtocol to add your details. Following approval of that Amendment you will then have access to view and edit the specific Application. Refer to the 'Amendments' section of this guide for details about how to do this.

If you are added as Application personnel at some point while the study is ongoing, you will not be able to access previous versions of documents that are attached to the eProtocol Application. The PI however will be able to (unless they have taken over from another PI).

## Attaching videos into eProtocol

Videos cannot be uploaded directly into an eProtocol Application however, they can be embedded into a document which can then be attached to page 7 or to an Amendment as required.

The document should be named as you want the video to appear on the approval letter.

To embed a video into MS Word, PowerPoint or Excel, please refer to the instructions below:

1. On the 'Insert' menu, click 'OBJECT', and then click the 'CREATE FROM FILE' tab.
2. Click 'BROWSE' and locate the movie (video clip or sound wave) you want to insert.
3. Select 'MOVIE' (video clip or sound wave).
4. Click 'INSERT'.
5. To play media clip, double-click its icon.
6. Save using the preferred file name.

## Searching for a historical submission

From the 'Investigator' Home page, Principal Investigators will be able to view a complete list of submissions for studies under their responsibility. Applications will be grouped into 'Applications (In Preparation/Submitted)', 'Approved Applications' or 'Non-Active Applications'.

eProtocol » Investigator » Home

[Create Application](#)
[Clone Application](#)
[Delete Application](#)

**HREC**

Applications (In Preparation / Submitted) ▼

NEW ▼

| Application ID              | Principal Investigator | Title | Application Event                     | Panel | Meeting Date |
|-----------------------------|------------------------|-------|---------------------------------------|-------|--------------|
| <a href="#">2020-07-712</a> |                        |       | <a href="#">Yet to Submit to HREC</a> |       |              |

From the 'Investigator' Home page, holding 'Ctrl+F' will display a search bar. Entering an identifier such as the HREC application ID into the search bar will highlight items on the page that match the search criteria.

From time to time a submission may not be visible from the 'Investigator' Home page. This may occur when a new Principal Investigator has taken over responsibility for a project, or when a Sub-Investigator/ nominated contact completes a submission on behalf of a Principal Investigator.

To access a submission that is not visible on the eProtocol landing page:

1. Hover over the 'eProtocol' tab in the top left-hand corner of the page.
2. Move the mouse to hover over 'Investigator tab'. A list of options will display. Click 'SEARCH PROTOCOL'.
3. Enter the relevant HREC application ID the search box. Click 'SEARCH'.

If uncertain of the specific HREC application ID, type a different identifier into one of the search fields. For example, entering the Principal Investigator's name into the search box and clicking 'search' will display a complete list of all submissions made by, or on behalf of, that investigator. Alternatively, selecting the organisation name and clicking 'search' will display a complete list of all submissions for projects occurring at that site.

A combination of search fields may be used, such as:

- study title,
- form type (Amendment, Progress Report, Protocol Violation Report, etc.),
- organisation name,
- committee (panel),
- meeting date.
