

Creating an adverse event/safety report form

 > Home > Approved applications > Application ID > Start adverse event/safety report form

A pop-up window will open. Within this window select 'adverse event/safety reporting' and click OK. If an adverse event/safety report form does not open when you click OK, then you have pop-up blocking software on in your browser. Even if you believe you have allowed pop-ups, there may be additional toolbars, that are blocking your pop-ups.

On the form select either:

1. Individual Event

OR

2. Summary Report

For an Individual Event, select section 1 and complete the report as required. Ensure that all questions are answered including the details of the event and attach relevant documents.

For Summary reporting, select 2 and attach relevant documents.

Once completed click SUBMIT FORM
